

Club info:

- The Waverly archery club is a 501C7 nonprofit organization
- Promote the sport of archery and foster healthy athletic competition.
 - 3D archery: shooting at foam animals to simulate a hunting scenario
 - Field archery: 3 field archery courses with 14 targets ranging from 20ft to 80yards
 - Target/Olympic archery: Target range up to 60 yards
 - Broadhead range: Practice range for hunters
- Provide safe environment for club members, youth organizations and the community to practice archery.
- Use and preserve the property in a sustainable and wild life friendly manner. Property is also utilized for recreational and educational activities.
- Members from Bremer/ Blackhawk/ Butler/ Grundy County.

Activities:

- Host multiple 3D shoots every year open to the public drawing attendance from upwards of 50-mile radius.
- Host multiple outings every year for boy scouts, 4H groups and NASP programs to teach and practice different aspects of archery.
- Open House to introduce the community to different aspects of archery
-

Support opportunities:

We are looking to refurbish aspects of the property, targets and facilities to maintain and grow membership. One major aspect is to acquire a new set of 3D targets (40) to ensure the reliability of the targets for planned and future events. These new targets allow great opportunity for advertising space for supporting partners. Cost per target depending on size range from \$200-2000.

Support Levels:

Above \$500 Gold sponsor/Target sponsor

- Permanent advertising on target
- Permanent name and logo on sponsorship wall and banner
- Name and logo on Website/Facebook page

Up to \$500 Silver sponsor

- Name and logo on sponsorship banner
- Name and logo on Website/Facebook page

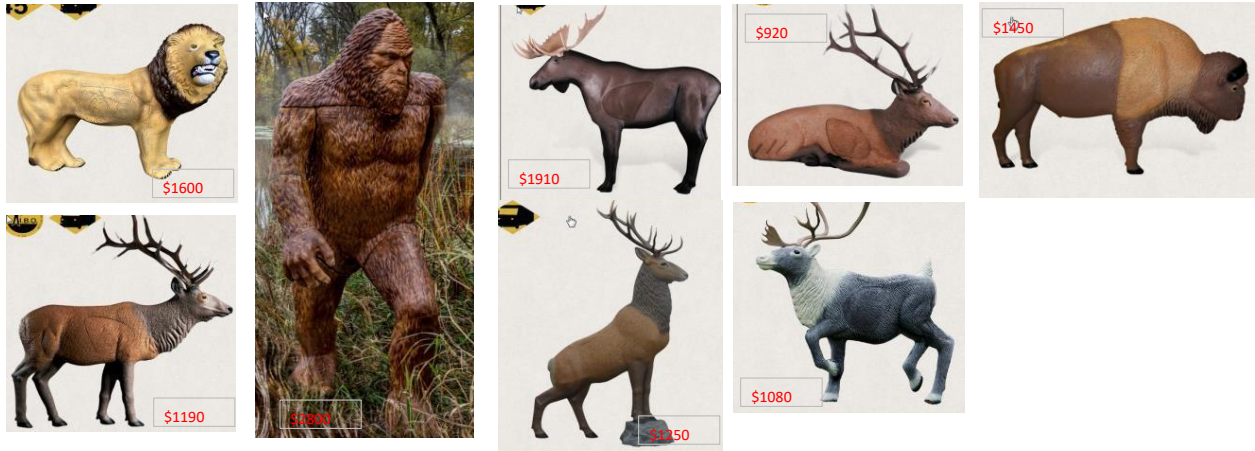

Up to \$150 Bronze sponsor

Name on Website/Facebook page
